And there you are, it is a brilliant song,  
i'd like to thank my mate Gary Rolfe for  
opening my eyes to the Faces, and The Beatles,  
and music like that, coz it rocks!  
And i'd also like to say hello to all Beatles fans,  
60's music fans and The Blyth Jex Sixth form  
(the ones that hang out in the computer room) Cheers
